

Notice of Race
Rogue Yacht Club
2026 Southern Cascade Regatta
Howard Prairie Lake
July 25 & 26, 2026

After a long hiatus, the Southern Cascade Regatta is back.

All classes are invited. Past classes attending are Lido 14's, Lasers, Geary 18's, Thistles, Lightnings, Multihulls, Open Centerboard and keelboats, e.g., San Juan 21's, Santana 20. Howard Prairie continues to offer family friendly camping and fishing, as well as amazing spectator views of racing from the jetty at the resort. Camping is available adjacent to the marina in Jackson County Park's campgrounds. Join us for a great summer weekend of sailing!

Howard Prairie Resort has a new state of the art marina and docks for accommodating boats. In spite of the dry winter, water levels are holding well and there will be adequate water for this year's event.

This event is a soft reboot of our past regattas. It's been since 2018 since our last regatta, so we plan on hosting a simple, but quality event. We expect to provide the same quality racing past participants have come to expect, but are going to keep things simple regarding trophies and meals.
